

Dealing with Addition

Grade 1

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Every Way to Make Five

Reasoning · Finding every different way one hand of cards makes a total of five

2. Count the Symbols or Add the Corners

Concept · Finding one total two ways and showing the two ways agree

3. Three Cards, Four Cards, One Total

Fluency · Adding three and four one-digit cards to a total of eight or ten

4. Capture with One Card or with Two

Application · Matching a card's value with one card or with a group of cards that adds to it

5. The Bigger the Total, the More Ways

Reasoning · Comparing how many ways two different totals can be made
