

Sizing Up Winter

Grade 1

4 skill lessons

Skill lessons

4 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Lay the Birds End to End

Representation · Measuring a length by laying one unit end to end and saying the count with its unit

2. Say Which Question the Word Asks

Concept · Deciding which attribute a measuring question is asking about

3. Line Them Up and Say Which

Reasoning · Ordering objects by one attribute against a shared baseline

4. Count the Months the Bear Slept

Application · Counting whole months on a calendar between two named months
