

Keep Your Distance!

Grade 2

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Twelve Inches Make a Foot

Concept · Building one foot from twelve inches and one yard from three feet

2. Measure Jen's Line

Application · Measuring a two-foot distance with a tape measure and checking it in inches

3. Add Three Feet for Each New Yard

Fluency · Skip counting by threes to eighteen along the yards-and-feet rows

4. Same Distance, Bigger Number

Reasoning · Arguing that two feet and 24 inches are one distance, and saying which pairs differ

5. Nine Places on One Line

Representation · Ordering the book's stated distances and showing which of them fit on a measured line
