

Slowpoke

Grade 3

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. From Start to Finish

Concept · Finding the amount of minutes between a printed start time and finish time

2. Where Does Forty Minutes Land?

Application · Finding a finish time from a start time and an amount of minutes

3. Count Forward to the Finish

Fluency · Counting forward in minutes from a start time to a finish time, across the hour when it has to

4. Two Minutes Faster

Reasoning · Comparing two amounts of time for one trip and saying how many minutes were saved

5. Which Box Is Empty

Representation · Recording a start time, an amount of minutes and a finish time in three places, with one of the three left blank
