

Albert is NOT Scared

Grade K

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. The Ride That Does Almost Everything He Refused

Application · Matching each move of one ride to the refusal it answers and naming the one left over

2. Six Moves, One Order

Reasoning · Putting one ride's moves in order and testing which order can change

3. Which Way Did It Go?

Concept · Naming the direction a ride moves

4. Say the Move That Puts It Back

Fluency · Naming the move that undoes a given move

5. Draw the Path, Then Point the Arrow

Representation · Drawing a ride's path and marking the direction it travels
