1. Five Paper Clips Long

Concept · Measuring a length by laying same-size units end to end and counting them

2. The Same Shoe, Two Numbers

Reasoning · Measuring one object with two different units and comparing the two counts

3. Will It Fit, and With How Much to Spare

Application · Deciding whether one thing fits inside another by measuring both in the same unit

4. One Size, and It Stays That Size

Reasoning · Testing whether a set of measuring units can be trusted before measuring with it
