Skill lessons

4 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. The Jar Line Chain

Fluency · Running a total forward through six printed checkpoints, adding one, two or four dollars at a time and never passing twenty

2. How Much More to Twenty

Concept · Finding how many more dollars a total needs to reach twenty, by counting on or by counting the empty squares of a twenty-frame

3. The One Minus

Reasoning · Deciding whether an event puts money into a jar or takes it out, and saying why one line of the book subtracts

4. What One Day Paid

Application · Adding the two or three payments made on one day into a single amount, then adding that day's amount to a running total
