

Let's Make a Circle Graph

Grade 3

3 skill lessons

Skill lessons

3 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. One Piece, Ten Children

Concept · Finding how many children one piece of a circle graph stands for

2. Reading the Circle Back

Application · Answering questions about a circle graph, including one whose answer is a fraction rather than a count

3. Build the Circle from Your Own Class

Representation · Building a circle graph from a survey of the class, with a title and labels
