

Math on the Move

Grade 3

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. The Bus Is Running Late

Application · Adding a delay in hours and minutes to a timetabled time and deciding whether a walk still fits

2. How Long From the Bus to the Bell

Concept · Finding the elapsed minutes between two stated clock times

3. Counting Back From the Train

Fluency · Counting back from a deadline through a stated number of minutes

4. Building the Day on a Time Line

Representation · Laying a day's stated durations end to end on a time line and totalling them

5. Skateboard or Walk

Reasoning · Comparing two durations for the same journey and choosing between them against a deadline
