

Clock Struck One, The

Grade 1

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Which Side Says the Hour

Concept · Reading the hour and the minutes on the two sides of a digital clock

2. How Many Hours After Midnight

Reasoning · Counting whole hours forward from midnight to name a morning hour

3. Around to Twelve and Back to One

Fluency · Saying the hours one through twelve in order and starting again at one

4. Which Clock Said It, and How Long After

Application · Ordering the story's clocks by the hour each one told and counting the hours between two of them

5. The Hours Bent Into a Circle

Representation · Placing the hours 1 to 12 around a clock face and moving forward one hour at a time
