

The Grizzly Gazette

Grade 2

5 skill lessons

Skill lessons

5 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Ten Campers Out of a Hundred

Concept · Reading a percent of the hundred campers as a count of campers

2. Who Is Ahead and Who Is Gaining

Reasoning · Comparing counts inside one poll and following one camper's count across polls

3. What Changed on Election Night

Application · Finding how much each count changed between the last poll and the vote

4. Make It Add to a Hundred

Fluency · Finding the missing part when the other parts of a hundred are known

5. The Poll as One Hundred Squares

Representation · Organising a poll's counts into a display of one hundred parts
