

Jump, Kangaroo, Jump!

Grade 3

4 skill lessons

Skill lessons

4 lessons on the mathematics the book carries. Printable workbook pages and teacher keys are not available for this book yet.

1. Twelve Campers, Three Ways to Split Them

Concept · Naming the share when a group of twelve is dealt into two, three or four equal teams

2. Count Off Without Losing Your Place

Fluency · Counting off around a group of twelve to make two, three or four equal teams

3. One Lane, One Team, One Word

Representation · Showing one-third of a pool and one-third of a group of twelve campers side by side

4. More Teams, Fewer on Each

Reasoning · Explaining why the same twelve gives smaller teams as the number of teams grows
