Bink and Gollie: Whack-a-Duck How Each Character Responds

20 MINUTES

TARGET

Describe how characters respond to the same major event or challenge.

STUDENT PRODUCT

One fixed ending + Bink response/evidence + Gollie response/evidence + comparison sentence.

LESSON SEQUENCE

1. Fix the event Use the ending of the whack-a-duck game only. Remind students that Bink expected the enormous doughnut.
2. Bink's response Record Bink's ending: she admits she did not win and measures the result against the giant prize she expected.
3. Gollie's response Record Gollie's ending: she emphasizes that everyone survived and measures the result against how badly the game was going.
4. Compare the same ending Students finish with: Bink sees the ending as ____, while Gollie sees it as ____ because ____.

ASSESSMENT · LOOK FOR

- Uses the same game ending for both characters.
- Includes the enormous doughnut / did-not-win evidence for Bink.
- Includes everyone-survived evidence for Gollie and states the contrast.

Standards-first rule: freeze the lesson after QA. Add a regional code only when the complete local expectation is actually satisfied.
