

Life cycles

Fill in one row after each book.

What stays the same when everything about the animal is different?

Book	Whose life is it? one animal or plant	What came back around? the shape, in your words
Because of an Acorn Lola M. Schaefer and Adam Schaefer		
A Frog's Life Patricia Murphy		
Life Cycle of a Honeybee Jason Cooper		
The Bumblebee Queen April Pulley Sayre		
A Butterfly is Patient Dianna Hutts Aston		
Guess What is Growing Inside This Egg Mia Posada		
Reproduction in Plants Julie Lundgren		

Look down your sheet. One shape kept coming back. Draw it or say it.
