

People who changed things

One row after each book — write, then tick.

Did they change the thing, or change what people believed about it?

Book	Who changed it? name them	The thing, or what people believed? tick, then one line why
Ada Byron Lovelace and the Thinking Machine Laurie Wallmark		☐ The thing ☐ What people believed
Ruby's Wish Shirin Yim Bridges		☐ The thing ☐ What people believed
That's Not Hockey! Andrée Poulin		☐ The thing ☐ What people believed
Whoosh! Lonnie Johnson's Super-Soaking Stream of Inventions Chris Barton		☐ The thing ☐ What people believed
Bill the Boy Wonder: The Secret Co-Creator of Batman Marc Tyler Nobleman		☐ The thing ☐ What people believed
Sakamoto's swim club : how a teacher led an unlikely team to victory Julie Abery		☐ The thing ☐ What people believed

Look down your ticks. Which kind of change lasted longer?

TEACHER NOTE — NOT FOR THE CHILD'S SHEET

Where the class may split

That's Not Hockey! — Plante changed the mask and changed what a goalie was allowed to be — both ticks hold, and the class should argue it.
